Boris Akunin's latest Erast Fandorin saga is a gripping read, at whatever level it is taken. On a straight reading, it is a vintage schoolboy romp through Russian and Japanese spies' and agents' plots and intrigues, with ninja figures displaying fantastical magical powers pitted against the illustrious detective who deploys intelligence, courage and physique.

This is the fourth book in Boris Akunin' series Erast Fandorin adventures. Often times when people have reviewed Akunin's works they like to draw literary comparisons with some of the great writers of the 19th and 20th Century. I have repeatedly seen him compared to Agatha Christie, Arthur Conan Doyle, Ian Fleming and even George MacDonald Frazier.

All The World's A Stage, eleventh book in Boris Akunin's Tsarist-Russian mysteries featuring the sleuth Erast Fandorin, proves a winning addition to its predecessors... the book is well-written (Akunin's a marvelous writer), it is clever, funny, and certainly provides an interesting look-see into the dramatic lives of stage actors, who sometimes don't know themselves if the life they lead is "real" or still acting.
