Advanced anaesthetic training is one year in duration, the learning is focussed on building expertise in your chosen areas of clinical practice and greater exposure to the professional competences such as leadership, team working, teaching and management. Higher and advanced training can be delivered flexibly.

Training in anaesthesia | The Royal College of Anaesthetists

Price £75 (?€92); ISBN: 978-0-19-960995-6. The problem with many general anaesthetic textbooks is the depth they cover various topics - some too much, others too little. Advanced Training in Anaesthesia: the essential curriculum strikes a good balance between these two extremes. The book is presented in a 558 page paperback format, weighing in at 400 g and measuring 196 x 265 mm.
