The FIDIC Design-Build  
Contracts

FIDIC Conditions of Contract for Plant and Design-Build, which are recommended for the provision of electrical and/or mechanical plant, and for the design and execution of building or engineering works. Under the usual arrangements for this type of contract, the Contractor designs and provides, in accordance with the Employer's requirements, plant and/or other works; which may include any combination of civil, mechanical, electrical and/or construction works.

Conditions of Contract for PLANT and Design-Build Accordingly FIDIC has not only updated the standard forms but has expanded the range, and has - in September 1999 - published a suite of four new Standard Forms of Contract which are suitable for the great majority of construction and plant installation projects around the world. This 1999 suite comprises: Conditions of Contract for Construction for Building and Engineering Works Designed by the Employer: The Construction Contract.
