Holistic Anatomy (An Integrative Guide
to the Human Body)

Holistic Anatomy presents an authoritative
study of anatomy, physiology, and
pathology but expands the discussion by
connecting the science of the body to a
variety of alternative modalities to explore
how human beings exist within—and
interact with—their environment, and how
they experience existence in emotional
and spiritual terms.

Holistic Anatomy: An Integrative Guide to the Human Body ...

Holistic Anatomy – An Integrative Guide to the Human Body. This book is NOT an academic textbook. It is an introduction to this vast and often complicated subject, written as far as possible in ordinary language, and mixed with anecdotes and alternative and holistic ideas of all kinds to make a very readable book.
