Meet the Creator Behind the Photo Blog Humans of New York

Humans Of New York Brandon

Brandon Stanton is an American author, photographer, and blogger. He is the author of *Humans of New York*, a photoblog and book. He was named to Time's "30 Under 30 People Changing The World" list. Since 2010, Stanton has taken hundreds of portraits of people living and working primarily in New York City, accompanied by bits of conversations about their lives. He has also travelled outside of the United States, capturing people and their lives in more than 20 countries, including Iran, Iraq, Ugan

Brandon Stanton

A Number One New York Times bestseller, *Humans of New York* began in the summer of 2010, when photographer Brandon Stanton set out on an ambitious project: to single-handedly create a photographic census of New York City. Armed with his camera, he began crisscrossing the city, covering thousands of miles on foot, all in his attempt to capture ordinary New Yorkers in the most extraordinary of moments.

humans, complete with stories that delve deeper and surprise with greater candour. Back in the summer of 2010, photographer Brandon Stanton began an ambitious project – to single-handedly create a photographic census of New York City. The photos he took and the accompanying interviews became the blog Humans of New York. In the first three years, his audience steadily grew from a few hundred to over one million.

Humans of New York: Stories Kindle Edition

Humans of New York (HONY) is a photoblog and book of street portraits and interviews collected on the streets of New York City. Started in November 2010 by photographer Brandon Stanton, Humans of New York has developed a large following through social media. As of March 2015, the book had spent 31 weeks on The New York Times Best Seller list.

Humans of New York

Brandon Stanton's thousands of not-quite-candid street portraits of New Yorkers (and accompanying captions, usually from the subjects themselves) have made his Humans of New York blog both poignant and extremely popular--as well as garnering him recognition as one of Time magazine's "30 People Under 30 Changing the World." This book of the same title collects 400 of his best portraits, telling small stories that are outsized in their humor, candor, and humanity.
